What We Believe About Jesus Christ

Getting to know one another:

1. We have entered the Major League Baseball post season. Are you more of a baseball fan or football or neither?

Getting into the Word:

2. Why is a belief in the deity of Christ important?

3. What is the significance of Jesus both thinking he was God and teaching it? What other passages might show this other than those spoken of in the message?

4. How do the things Jesus did affirm his deity?

5. How could you use this message to converse with non-believers?

6. What arguments have you heard against the deity of Christ? How do you respond to those arguments?

7. What does the deity of Christ teach us about God?

8. If Jesus is not God, how would your faith change?

9. What are some practical implications of the deity of Christ?
