

Care Group Homework  
(For the week of January 24, 2010)  
The Importance of the Kingdom

Getting to know one another:

1. We live in a world of incredible technology. If you had to give up two of the technologies below for 24/7, which would they be and why?

Cell Phone, TV Programming, Email / Social Networking  
Internet (w/o social networking), DVD & DVR Capabilities  
Digital Photography & Mobile Music (MP3 players, etc.)  
If you could only keep one, which would it be and why?

2. We've just finished the first decade of the 2000s. Looking back on the past 10 years of your life, what would you list as 3 or 4 highlights?

3. Looking back over your sermon notes, was there a particular point or passage of Scripture that challenged, confused or caught your attention?

Getting into the Word:

4. Reread our text (Acts 1:1-9). What strikes you most about this passage?

5. The text tells us that Jesus gave many convincing proofs that he was alive. What proofs would convince you that someone had risen from the dead?

6. The text says Jesus taught about the kingdom and then the disciples asked about the kingdom. What do you think the disciples thought the kingdom would look like?

7. The message gave three ways that we show that the kingdom is important to us. Which of the three is most challenging to you personally? How could you improve?
