

Thank you for your willingness to prepare communion!

Below is the schedule for the communion team, for the next few months. Kathie Iles has said she will join the team, and will "shadow" the communion preparation in July or August, so she's trained. Communion is served the 1st Sunday of each month; if there is an additional communion service, or if the regular communion is moved to a different Sunday in the month, the office of I will give you a call. In addition to the people noted below, Carol Hattstaedt typically arrives to help prepare communion each month. Also, Heather Ozaeta (985-5171) is trained in preparing communion, but is not scheduled on the 3 months below.

July '10 Marie Larson (256-9808)

August Carol Pavlisick (242-0572)

September Kathie Iles (434-6598)

October Heather Ozaeta (985-5171)

November Marie Larson (256-9808)

December Carol Pavlisick (242-0572)

If you cannot prepare communion on your month, please give one of the other folks a call to switch months. If you notice supplies are low, please let me or the office know.

Once again, thanks for your service!
