There's Something Fishy

John 6:1-14

May 22nd, 2016

Pastor Steve Johnson

In the beginning was the Word, and the Word was with God, and the Word was God. He was in the beginning with God. All things were made through him, and without him was not any thing made that was made. In him was life, and the life was the light of men. The light shines in the darkness, and the darkness has not overcome it. These things are written so that you may believe that Jesus is the Christ, the Son of God, and that by believing you may have life in his name.
